Triathlon Tina

By Lily Foster

Hello, Tina. What are you doing today?

I'm doing a triathlon in the town.

What's a triathlon?

It's a special competition. We swim, cycle and run in the competition.

Is it difficult?

Yes, it is. Swimming in the lake is very difficult because the water is very cold.

What do you do first?

First, I swim in the lake. Next, I cycle in the town. Then, I run in the park. I run very quickly!

What's your favourite part?

My favourite part is running in the park. I like all the trees and flowers. I like cycling, but sometimes I cycle slowly because I'm tired.

Good luck, Tina!

2 Act out the interview.

3 Listen and read. Listen and repeat.
