# The ant and the grasshopper

## 1 Listen and read. CD1 35

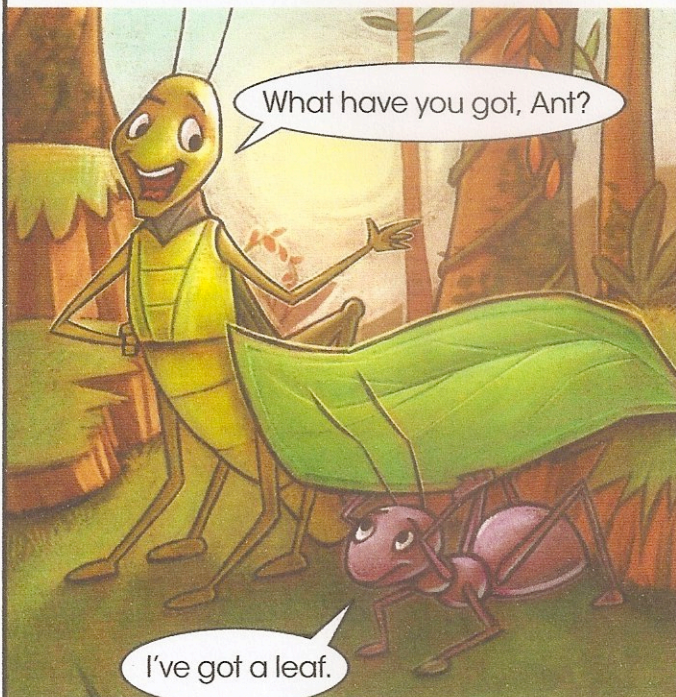

- 1 It's a sunny day in the rainforest. The grasshopper is happy. He jumps and he sings.

- 2 Soon the grasshopper sees an ant. The ant is busy.

- 3 The ant has got something on its back.

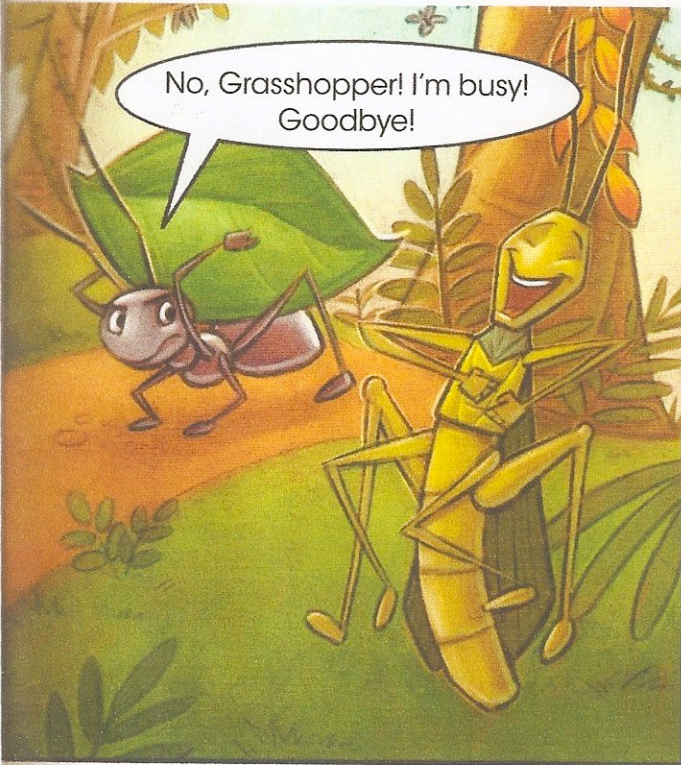

- 4 The grasshopper laughs.

5 The grasshopper plays in the sun. But the ant can't play. The ant works.

6 All the ants work together. They carry the leaves. Then they put them under the ground.

7 Now it's night time. The grasshopper is hungry and tired.

8 In the ant nest, fungus grows from the leaves. The ants eat the fungus. The grasshopper visits the ant.
